

# IMPORTANT ANNOUNCEMENT

## Manuscript System Change for JBC Live Launch for All Submissions – September 26, 2017

We are excited to announce that JBC will move to a new submission system (eJournalPress) as of September 26, 2017. We appreciate your patience and cooperation during this very important transition.

Some important points to keep in mind:

- JBC will function on two systems in tandem for a few months
- The old URL for the submission site (<http://submit.jbc.org>) will redirect to the new system's URL, which is <https://jbc.msubmit.net>.
- Authors/Reviewers will use the new (eJournalPress) system for all **NEW** and **RESUBMITTED** manuscripts beginning September 26.
- Reviewers **MUST** follow the instructions in the email notification for each assignment. The instructions for each assignment will take you to the right system for the paper assigned.

If you already have an existing profile in our current (BenchPress) system, please use the email address associated with that account to login to the new (eJournalPress) system for the first time by using the “Forgot your password?” link on the login screen. You can also login using an ORCID.

Please contact our staff at [jbc@asbmb.org](mailto:jbc@asbmb.org) if you have any questions and we'll respond promptly.

Best,

Maria Pasho | JBC  
Manager, Journal Operations and Support
